The Inam Settlements is based on the Sanad granted by His Late Highness Sri Krishnaraja Wadiyar Bahadur in 1817 a printed copy of which has been produced by the appellant. It is mentioned in the Sanad that at the request of Sivappaje Veerappa Devaru, His Late Highness ordered that a Matt should be got constructed by the Villagers in Jajoor and that inam lands (8 kolaga) should be endowed to the instn., the income therefrom being utilized for charity, Paditara Deeparadhane in the instn.

26) The case appears to me a peculiar one.

27) The dharmasanam was not granted to any matha in existence or to any deity worshipped in the matha as is usually the case with such grants. Though the word matha is used, it is probably meant only a dwelling place for the Siva puja Swami and it is not unlikely that 'Paditana Deeparadhana' was used euphemistically for the maintenance of the Swami. If this surmise is correct, this is a case for treatment as personal dharmasanam and agraharam being levied.

28) If however the matha is to be treated as a real Mayavaram Mutt, even then it is to be feared that the District

Sir,

With reference to your official memorandum No. 1384 dated 4th December 1915 forwarding for report petition from Nanja Appa son of Sivappa Veerappa of Gajur village in the Taluk bearing that

Menu 303-15-2

he may not be ordered to submit
statement of income and expenditure
re the Sivaramaya lands granted
to his ancestors for certain services
to be performed in the Veera Saiva
Matt at the place &c, I have
the honor to state as follows:-

On the 1st December 1911 the
Shanbhogue of Jajur village
reported that the survey numbers
R 1, 198 and 199, the Devadaya Inam
lands of the Jajur village had
been partitioned among and
were being enjoyed by Nanjappa,
Nagalingappa and others and
that those persons were living
in the Matt itself. Enquiries
were thereupon instituted and
it was found that the petitioner
Nanjappa, his brother and
cousins, the descendants of Sivappa
Veerappa Devaru of Jajur

had all divided the Inam
lands among the members
of that family and that
they were living in the Matt
treating them as their private properties.

As the lands in question
measuring 33 & 38 assessed at
Rs 83/- were granted as Devadaya
Inams for the support of the
Sivaguja Veerappadevaru Matt
at Jajur, as the petitioner Nanjappa
in his statement dated 28-11-12
before the Sheristhar, admitted
the fact of the partition of the
Inam lands among the members
of his family and the non-maintenance
of accounts re the receipts
and expenditure of the Matt,
and as it was also found that
the object of the grant was not
being properly fulfilled,
the Assistant Commissioner of

the Chitaldrug Sub Division ordered on the 15th January 1913 that the partition of these Devadaya Inam lands would not be recognized and that the Dharmakarta of the Matt would be bound to maintain and render proper accounts. Thereupon the petitioner Nanjappa and Nagalingappa executed a Muchalika on 24-1-1914 binding themselves to render the accounts. The annual receipts from the Inam lands are estimated to range from Rs 100 to Rs 200/-

Subsequently the marginally noted 5 persons have been appointed as Dharma-darsees of the Matt and orders have been issued from this office on the 17th August 1914 directing that

1. Mr. Shambhoge Sanjivappa
2. Parvathappa Shanbhogar of Kalvehalli
3. Veerapa Ramaiya
4. Nanjappa
5. Nagalingappa

proper accounts of income and expenditure should be maintained and submitted as required by the rules framed under Section 13 of the Mirzai Regulation VI of 1913.

The petitioner has now appealed against the aforesaid order.

It is understood that this Matt is a Brihastha Matt and apparently no religious duties are being discharged. It is understood that formerly strangers used to be lodged and given a meal or two at the Matt but for some time past after the Matt has been divided among the 5 sharers this hospitality has ceased.

It seems to me that no useful purpose is served by treating this as a religious institution and the land as Devadaya Inam.

If it is not deemed proper to resume the inam, the nature of the inam may be changed from devadaya to a personal inam and it may be enfranchised on a suitable quitrent.

If however this course is not considered appropriate, the manager of the Matt for the time being should be treated as a mere trustee and held to account for the due utilisation of the income from the land and the partition of the Matt premises or of the inam land should be prevented and there should be an authoritative ruling as to what purposes the Matt should spend its income or services it should render in accordance with the terms of the grant.

The Vernacular papers bearing on the subject are herewith submitted and the enclosures

received with the reference
under reply are also returned
herewith.

I have the honor to be,

The Inam is mentioned in the acct and is valid.

It would appear that there is no matt in the village but the residence of the parties in col 15 is so styled. A matt is ordered to in the Samad to be built by the ryots, and the claimants say their present dwelling is the same. No "deep and hane" is performed but the claimants dispense charity in the matt.

It would appear that in 1864 a complaint was preferred to the effect that there was concealed cultivation in the inam, there was excess, and that the excess should be assessed. After some enquiry, by Supdt ordered that assessment should be levied on excess amounting to Rs 4-9/ and also Rs 70-2-0 on account of Wet cultivation in dry inam. This order was reversed by the Nagar Supdt by letter No. 103 dated 14 July 1866 who decided that matters should be left in State quo pending the inam enquiry.

From chitta of 1864, it appears that a pairmaishy was made in that year. When it was discovered that out of the Kand. 4 Coods (dry) granted by the Samad, 12 Coods 3 3/4 Seers = 8.24 has been converted by private enterprise under a well. I think this should not be taxed, but should be allowed as Inam in addition to the old wet or 4.13. The Inam to be

In continuation of this office No. 516 dated 17th April 1916 forwarding the records in connection with the appeal prefered by Nanjappa, grandson of Sivapuja Virappa Devaru of Jajur in the Challakere Taluk against the ordered passed by the Deputy Commissioner requiring him to render accounts for receipts and expenditure in Sivapuja Virappa Devaru Matt which is endowed with inam lands for its support, I have the honor to forward herewith correspondence ending with yadi No. 320 dated 6th December 1916 from the Senior Assistant Commissioner, Chitaldrug Sub Division from which it will be seen that the object of the grant of the inam lands is not properly fulfilled and that the produce of the lands is being otherwise appropriated. Even at the time of the Inam Settlement in 1868, no Matt, as it is usually understood, existed nor were then any indications of any sort of service either religious or charitable having been ever rendered by the appellants and their forefathers. Notwithstanding this, the lands in question were confirmed as inam free of tax. The terms of the Sannad are vague and indefinite and are not capable of being enforced strictly.

Considering all the circumstances of the case, the Government agree with the Deputy Commissioner in thinking that no useful purpose is served in treating this grant as Devadaya and are accordingly pleased to direct that the inam lands in question, *viz.*, Survey Nos. 1, 198 and 199 of Jajur village be converted into Personal Inam and enfranchised, a suitable quit-rent being levied. The attachment of the lands should be withdrawn and the appellants placed in undisturbed possession. With this modification the appeal is allowed.

Copy of the above is forwarded to the Inam Superintendent for favour of necessary alteration in the Inam Register.
